Instructions for Business Meeting District 26 Hybrid Council Meeting – April 29, 2023

INTRODUCTION: Quorum is required to approve the documents included in this package. That means 1/3 of eligible club votes must be represented. If the quorum is not met at the meeting, there will be an additional online voting period. post-meeting in which we will seek to meet the majority approval.

Because the voting process will be conducted virtually, **no proxies will be permitted**. Each district council member must cast their own vote. District executive committee members are entitled to one vote and may cast up to two additional votes as a club president or vice president education. All other members of the district council shall be limited to a maximum of two votes.

Zoom.us is the meeting platform. We recommend that you download and test Zoom conferencing software in advance here: <https://www.zoom.us/download-client> [4meeting](#)

How to Vote when required: Election Runner will be used to conduct voting during the District Council virtual meeting.

- **Participants will receive one email with all items to be voted upon.** The email you receive will contain a unique link. **Do not forward this email to others.** When prompted, use the Voter ID (Username) and Voter key (password) that will be sent to you for each item we're voting on. Only those who have registered on Zoom by **5:00 pm on Friday, April 28, 2023** will receive a link to vote via email.
- If you do not have access to your email during the meeting, telephone only attendees may vote by entering “* 9” (star 9) when instructed by the Chairperson and the “raised hand” votes will be counted manually.
- You can only use each ballot once. Vote only when instructed to do so.

District 26 Virtual Council Meeting Ground Rules April 29, 2023 (3:00 pm)

Rules of Order: Robert's Rules of Order Newly Revised shall be the final authority on parliamentary procedure insofar as they do not conflict with any provision in the District Administrative Bylaws, the Articles of Incorporation or Bylaws of Toastmasters International, Policies and Procedures, set by the Toastmasters International Board of Directors.

As noted in Robert's Rules, it is permissible for a deliberative body to adopt "special orders" for a given session in order to facilitate business. Since time is limited for the May 1st business meeting of the District 26 Council, the following procedures will be in order:

Parliamentary Aids: To expedite the meeting, the Chairperson will use unanimous consent as much as possible, especially in accepting the submittal of committee reports. Any Council Member may object to unanimous consent by stating "objection" when the presiding officer says, "if there are no objections" or "hearing no objections." With any objection, a motion will have to be made and seconded, discussed and voted. While all points of view are entitled to be heard, that does not mean every member needs to speak. Because of limited time for debate and discussion, members are asked to primarily make statements that offer new information and not repeat what has already been stated. Rights of the minority opinion are to be protected and respected even though majority rules. Courtesy should be extended to all participants and that includes not asking redundant questions that have previously been answered either in the package or by other participants.

Submittal of Motions that occur in the course of the meeting: Resolutions, motions or amendments to motions over 12 words, excluding "I move that," shall be submitted in writing to the Chairperson immediately after making the statement. (Enter in the chat box.)

Addressing the Council: Recognition by the Chairperson is required before a person addresses the District Council. To address the District Council, an individual must address the Chairperson and wait for acknowledgment by the Chairperson. Once acknowledged, the individual should state their name, club name, club number, District Council role, and then succinctly state the business. Without recognition, comments will not be part of the official record.

Virtual Meeting Procedures: When the member registers online to attend the meeting, an email will be sent acknowledging registration that contains instructions on how to join the meeting using their computer, smart mobile device or telephone. All attendees are urged to join via their computer or mobile device so the presentations can be viewed, and the member can participate interactively.

Upon joining the meeting, all attendees will be muted except for the Chairperson and recognized speaker at the time. If a member wishes to speak, that member must "raise your hand" by clicking on the hand icon in the participant window (could be under the "more" menu) or if participating by telephone, the member can enter "* 9" (star 9) on the keypad. When the Chairperson recognizes the "raised hand," that member will be unmuted to speak their business. Once acknowledged, the individual should state their name, club name, club number and District Council role (e.g., Division C Director).

Business Time Limits and Guidelines for Participation: There will be limited debate on items of business. Everyone shall have a maximum of one minute to address the question. The maximum time for discussing or debating any motion, including its amendments, shall be 7 minutes. Unless two-thirds majority of Council Members vote in favor of any motion to change the time limits for debate, the Council will immediately.
